rock show AUGUST 29 ROCKWELLS PUB

Suspicious Agent C.O.N.N.E.R. needs our help. He has a congenital heart defect, and his surgeries and doctor consultations are taking their toll on the family budget. The Suspicious reunites and is preparing to perform a benefit rock show in Dawson Creek on the last Saturday in August (the 29th). Please come to the show - We'll be accepting donations on behalf of Conner's family while we rock for you. The proceeds will be presented to Conner's family to ease the burdens of travel and care during this critical time.
